„Oh no!" Lars groaned. „Tell me this isn't true, James!"

James' face was pale.

"It is," he croaked.

Lars sank his head onto his snare, whimpering.

James stared at Kirk's new guitar in shock. Jason was stunned, cramping his fingers around the strings of his bass.

Kirk had done another weird design.

Fluffy pink bunnies hopped all over the guitar's green body and along the fretboard.

James swallowed.

"Uuuuhhh, Kirk?"

"Yes, baby?"

"Bunnies aren't very metal, I guess. Our fans ..."

"Awww, don't worry! I considered that." Kirk happily smiled. "Look!"

Again, James swallowed hard.

Every bunny had deadly fangs!
